

Ideation Phase

Define the Problem Statements

Date	19 September 2022
Team ID	PNT2022TMID52810
Project Name	Signs with Smart Connectivity for Better Road Safety
Maximum Marks	2 Marks

Example:

I am patients in ambulance	I'm trying to go to hospital within time	But there is heavy traffic in signals	Because there is no priority or prior intimation	Which makes me feel bad about the condition of the life in ambulance
I am student	I'm trying to go to school safely	But there is risk of accident	Because more traffic in peak hours and improper sign boards	Which makes me feel insecure
I am public	I'm trying to make a safe journey	But even if follow the rules and traffic signs i'm prone to accident	Because of overspeeding and improper weather indication signs	Which makes me feel hesitant to drive freely and safely
I am pedestrain	I'm trying to make a safe journey	But there is potholes and construction works	Because there is no proper intimation	Which makes me feel insecure during my journey

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	patients in ambulance	go to hospital within time	there is heavy traffic in signals	there is no priority or prior intimation	bad about the condition of the life in ambulance
PS-2	student	go to school safely	there is risk of accident	more traffic in peak hours and improper sign boards	insecure
PS-3	public	make a safe journey	even if follow the rules and	of overspeeding and improper	hesitant to drive freely and safely

			traffic signs i'm prone to accident	weather indication signs	
PS-4	pedestrian	make a safe journey	there is potholes and construction works	there is no proper intimation	insecure during my journey
